Cashback:

The cashback will be provided via an Electronic Funds Transfer (EFT) to the Eligible Claimant's nominated Australian bank account. The amount of the cashback will correspond to the "Cashback" specified in the table above for the purchased Participating Products.

Cashback Eligibility Requirements:

To qualify for the cashback, an Eligible Claimant must:

1. Be an eligible installer.
2. Purchase Participating Products from a Participating Store.
3. Complete the online claim form by following the provided instructions.
4. Provide all necessary information, including but not limited to: (a) The claimant's full name, email address, ABN, and business/company name; (b) Specific details such as: the model No. of the air conditioning unit, the serial number of the outdoor unit, the serial number of the indoor unit, a copy of the invoice for the purchased Participating Product(s), and any other information required by the Promoter.
5. Submit the bank account details as the claimant's nominated Australian bank account.

These steps collectively meet the Cashback Eligibility Requirements.

Purchase:

Payment in full by cash, card or through a credit program offered by a Participating Store where a valid proof of purchase is provided.

Verification of Serial Numbers and Invoices:

1. The Promoter will review all submitted serial numbers and photos of serial numbers for the Participating Products, as well as the tax invoices

provided by claimants. If any serial number, photo, or tax invoice is invalid, the claimant will be notified via the Midea Club App or Web Page Notification. The claimant will then have fourteen (14) days from the date of the notification to submit valid serial numbers, photos, and/or tax invoices as required.

2. If the claimant fails to provide the necessary valid serial numbers, photos, and/or tax invoices within fourteen (14) days, the Promoter reserves the right to reject the claim. The claimant will be informed of the invalidation due to the failure to provide the required documentation.

Cashback Claim Guidelines:

1. **Notification of Valid Claims:** Claimants will be informed through the nominated Email address once their claim is validated. The Promoter will then process the Cashback payment.
2. **Request for Additional Information:** If further details are needed to validate a claim or if any submitted serial numbers, photos, or tax invoices are invalid, the Promoter will notify the claimant via email. The claimant will have fourteen (14) days from the date of the email to provide the required information unless otherwise specified. Failure to do so may result in the claim being invalidated at the Promoter's discretion.
3. **Return of Products:** If the Participating Product is returned to the store where it was purchased for a refund or exchange, the claimant will no longer be eligible for the Cashback. If the Participating Product is returned after the Cashback has been received, the Cashback amount must be repaid to the Promoter within a reasonable period, as directed by the Promoter. This clause does not limit or affect the claimant's rights regarding warranties on the Participating Product, whether from the manufacturer or as implied by law.
4. **Extension of Promotional Timeline:** The Promoter reserves the right to extend the Promotional or Redemption Period at its sole discretion.
5. **Verification and Disqualification:** The Promoter may verify the validity of claims and claimants (including identity, contact details, tax invoice, and serial number) and disqualify any claimant who does not comply with these Terms and Conditions or tampers with the claim process. The Promoter's decision is final.
6. **Rights Enforcement:** Failure by the Promoter to enforce any of its rights at any stage does not constitute a waiver of those rights.
7. **Invalid Claims:** Claims that are incomplete, unclear, or unreadable will be considered invalid. It is the claimant's responsibility to ensure that their email, bank account, and address details are accurate. The Promoter will not be held liable if the claimant does not receive the Cashback due to incorrect information or invalid serial numbers.
8. **EFT Payments:** Cashback will be disbursed exclusively to Australian bank accounts. The Promoter bears no responsibility for any payment complications arising from the claimant's lack of an Australian bank account.
9. **Handling Failed EFT Attempts:** The Promoter will make up to three (3) attempts to transfer the Cashback via EFT. If all attempts fail, the Cashback will be forfeited. Claimants are required to inform the Promoter immediately if incorrect bank details were provided. In cases where an EFT is sent to an incorrect account, the Promoter will try to reverse the transaction. A reissuing fee of \$7.95 will be applied. However, the Promoter does not guarantee the success of EFT reversals.

10. **Processing Time:** Claimants should allow sixty (60) days from the approval email for the EFT to be processed. Additional time may be required for bank clearance.
11. **Non-Transferable Cashback:** Cashback is non-transferable and can only be claimed by the person named on the tax invoice. Claims must be made by the actual purchaser of the Participating Product. Third-party claims are not accepted.
12. **Promotion Interference:** If the Promotion is disrupted or cannot be conducted as planned due to circumstances beyond the Promoter's control, the Promoter reserves the right to disqualify any claimant or modify, suspend, terminate, or cancel the Promotion.
13. **Ancillary Costs:** Claimants are responsible for any costs incurred in completing the Online Claim Process and claiming the Cashback, including internet service charges.
14. **Server Issues:** The Promoter is not responsible for any server issues that may affect the claimant's ability to submit the Online Claim Process.
15. **Liability Exclusion:** Except for liability that cannot be excluded by law, the Promoter (including its officers, employees, and agents) excludes all liability for any personal injury, loss, or damage arising from the Promotion, including technical difficulties, theft, unauthorised access, claim or documentation loss, Cashback value variation, tax liability, or use of the Cashback.
16. **Consumer Rights:** These Terms and Conditions do not exclude, restrict, or modify any consumer rights under the Competition and Consumer Act 2010 (Cth) or other legislation. The Promoter's liability for breach of such rights is limited to the replacement, repair, or cost of replacement/repair of goods, or the re-supply or cost of re-supply of services.
17. **Governing Law:** These Terms and Conditions are governed by the laws of Australia. Claimants submit to the non-exclusive jurisdiction of the courts of Victoria, Australia.
