

SPARKLING DISHES, ULTRA-QUIET PERFORMANCE

Dishwasher with Extended Dry and Sanitize Cycle

MDT24H3AST Stainless

Superior cleaning technology combined with an Extended Dry feature ensure dishes come out spotless and completely dry. A hygienic Sanitize Cycle removes bacteria.

Whisper-quiet 45 dBA performance keeps your home quiet while a convenient third rack is perfect for knives and large utensils. Elegant, convenient LED interior lighting lets you see inside more easily.

Sanitize Cycle

A high temperature rinse cycle reduces 99.99% of bacteria from dishes and is NSF Certified. A control panel light lets you know sanitization temperature was reached and the cycle is complete.

Extended Dry

Dual fan heating system extends drying time to make sure dishes are extra dry.

Sleek LED Cycle Indicator

Tells you the wash cycle progress (Wash, Rinse, Dry, Complete) and blends in when the machine is off.

Convenient Third Rack

Perfect for flatware, knives and serving utensils and for easy, safe loading and unloading of sharp objects.

LED Lighting

Convenient, LED illumination lets you clearly see the inside making loading and unloading easier.

Stainless Steel Tub

Durable stainless steel tub has a premium look and is built to last.

Flip Tines

6 flip tines in the lower rack and 2 in the upper rack provide flexible loading options to meet your varying needs.

Dishwasher with Extended Dry
