Our range of refrigerators and freezers is thoughtfully designed to meet every food storage need, right from daily convenience to long-term preservation. Choose from a wide variety of styles, including multi-door, top-mount, and single-door refrigerators, as well as upright and chest freezers — each built for reliable performance, energy efficiency, and smart storage solutions that suit any home.

LARGE CAPACITY

Store more in a sleek and stylish way. Get large storage into a modern, counter-depth frame.

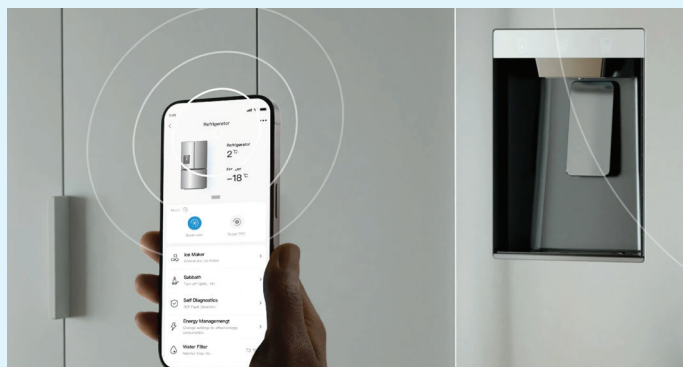

INFINITE SHELF

Customize your refrigerator storage with movable shelving that adapts to items tall or small.

AUTOMATIC ICE MAKER

Enjoy a continuous supply of fresh ice with the convenient auto ice maker, eliminating the need for manual trays and ensuring you're always ready to chill your favorite drinks.

SMART HOME CONNECT

Control the temperature, receive alerts, or activate vacation mode—all from your smartphone.

MICROWAVE OVENS

EG142A5L

Discover an accomplished kitchen assistant with diverse powerful capabilities and wonderful features. From solo and grill microwave ovens to convection microwave ovens that let you cook and serve easily at the press of a button.

COMBINATION COOKING

The combination of microwave and grill helps achieve better food texture, tenderize the food, and add the desired char or sear marks, making your dishes truly exquisite.

PRE-SET AUTO MENUS

Auto menus make it easy to cook a variety of dishes without having to worry about cooking time or power levels. Simply select the appropriate auto menu, and the microwave does the rest, allowing you to attend other tasks.

DEFROST BY WEIGHT/TIME

Easily defrost meats and other types of food by setting optimal defrosting time and power level.

CHILD SAFETY LOCK

While our microwaves may be easy to use, it is no child's play. With child safety lock, keep the little ones from operating the microwave on their own.

DISHWASHERS

WQP15-WU7633GUR-BS

Midea's award-winning Dishwashers are designed with features that eliminate 99.99% germs and odors through high-temperature washing, while setting the standard in energy and water saving. Choose from our range of free-standing, built-in and compact table-top dishwashers that fit your family, and enjoy spotless, hygienically clean crockery, cutlery and cookware.

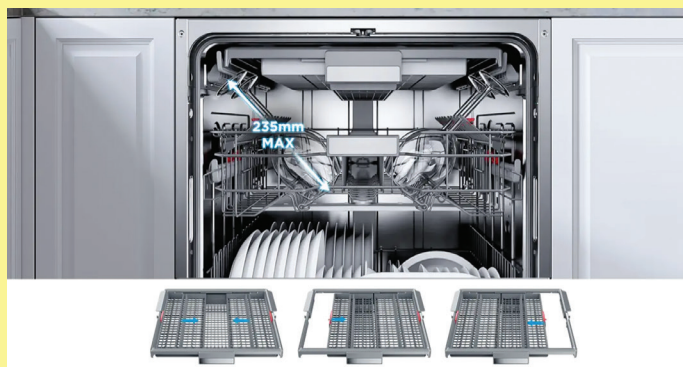

DISHWASHER

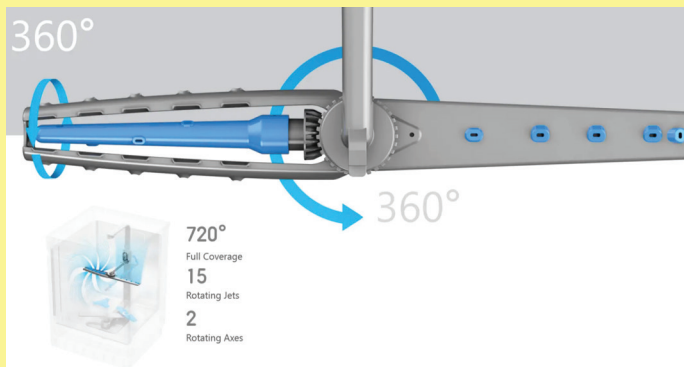

AUTO OPEN DOOR

Active Open Dry allows the door to open slightly at the end of the cycle so as to lower temperature inside. This lets inside moisture escape quickly, leaving your dishes a lot drier, naturally.

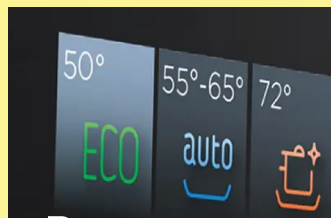

NEWFLEX 3 RACK SYSTEM

With the loading flexibility of a 3rd drawer, you can easily accommodate large utensils or tall glasses and cups in the upper basket.

INNOWASH PRO SPRAY ARM

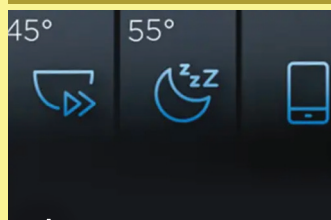

The unique Innowash Pro Spray Arm comes equipped with 15 sprayers and an additional vertical axis, which rotates 720° to flush away every single stain, leaving your dishes sparkling clean.
