NEW

- Capacity: 30L
- Smart APP Control
- Healthy Steam Cooking
- Crunchy Air Fry

- Juicy Steam-assisted Convection
- Crispy Grill
- Combination Cooking: Convection + Grill
- 36 Preset auto menus + 98 IOT Cloud Menus

UNIQUE FEATURES

More tasty choice

Professional Combination of Different Cooking Modes. Air Fry, Convection, Grill, Convection + Steam.

Smart IOT with MSmartHome

Online Control, Online Monitoring & Online Recipes

Direct Steam System

The Direct Steam System heats water with 1800 watt, generating 100°C steam in just 30 seconds* and spread out in the cavity directly.

Quick steaming with dual steamturbos & 20 steam Holes.

Dual powerful steam streams are sprayed out evenly through 20 steam holes, which means that 20 powerful steam streams flow out together rapidly during cooking.

5-Hour stew with the Slow steaming mode

Able to handle the Ultra-long cooking task.

Crunchy Air Fry

Midea S5 Pro Air Steam Oven combines healthy steam and tasty air fry together perfectly. Heat from heating elements is circulated 360° inside the cavity with the help of convection fan.

Low-temp. Fermentation

30-45°C Temperature setting
24 Hours extra-long cooking time
Perfect for fermenting dough, yogurt, etc.

Steam Sterilizing

The 100° high temperature steam can kill **99.99%** of bacteria.

Steam Self-Cleaning System

Clean the Oven with Ease
2 different self-cleaning modes help you take care of the oven easily.

VACUUM CLEANER

FLOOR WASHER

UNIQUE FEATURES

Vacuum, Mop, Wash, 3 In 1 Function

3 cleaning steps in one process. Wet and dry vacuum leaving no residue behind.

Powerful Brush

The brush roller is with fiber and bristle, and 2000rpm rotating speed, designed to clean any stubborn stains.

Self-Cleaning System

Once you're done cleaning, set the vacuum on the storage tray to auto-clean the roller with a push of the self clean button and the machine is ready and waiting for the next challenge!

Long Lasting Battery

The product can work for 35 min one time with the long-lasting battery.

Two Tanks System

Naver double dip in dirty water, always clean with fresh water and solution, while the dirty water and debris are collected in a separate tank.

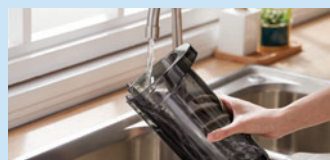

Easy Storage And Clean Up

Upgraded navigation system, increases path planning efficiency by 30% and reduces collisions by 70%.

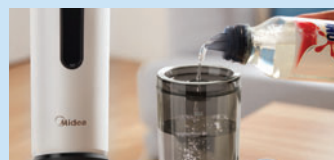

Vacuum & Wash All At Once

Vacuum & wash many different kinds of garbage at once.

Easy Empty Dirty Tank

Easy to clean dirty water tank.

Large Water Tank

Large detachable water tank with cleaning solution.

Charging Station

MVC-X8 will be charged when placed on the stand correctly.

Multi-Floor Cleaning

It's safe to use on sealed hard floors, from hardwood to granite.

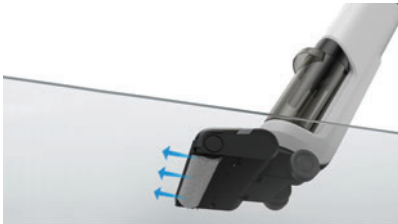

VACUUM CLEANER

FLOOR WASHER

Adjust The Suction Power Automatically

Dirt sensing with automatic adjustment of suction power.

Self-Traction Design, Easy To Use

With its self-propelled design, even the girls can handle it with ease.

LCD Screen

You can check operating mode, power level and fault information with its LCD display. Know the working information clearly from LCD display.

Rating Power **220W** Working Time **35min**

WATER PURIFIER

Activate Your Healthy Water with a Simple Switch

Portable Faucet Water Purifier

MC122-2

- Multiple Use
- Disposable Filter
- 2L/min Purified Water Flow
- Rate Total Purified Water: 1200L
- Work Pressure: 0.1 - 0.4MPa
- Compact Body
- ABS Plastic Body

UNIQUE FEATURES

Double Outlet

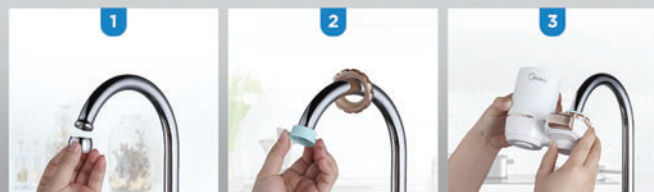

Customize Your Water with a Simple Switch
Simply push the button for the instant filtered water.

DIY Installation

Upgrade Your Faucet in a Few Simple Steps

No after service and tools are needed to finish an easy installation process.

Zero-waste Technology

Improved Taste, Reduced Waste

Our Zero-waste Technology equipped with carbon fiber filter helps to improve the taste of water and remove 96% waste chlorine from tap water.

 **Non-electric Filtration**
No Electricity Cost Needed

4-level Water Filtration

Maximum 96% Chlorine Absorption Capacity

2L/min Fast Water Flow

Quickly Preparing Clean Vegetables and Fruits for Healthy Cooking

WATER DISPENSER

YD1518S-X

- The newest slim design
- Advanced semi-conductor cooling
- Heated water temperature $\geq 85^{\circ}\text{C}$
- 1.02L hot tank capacity
- 1 year warranty

UNIQUE FEATURES

Automatic Heat Preservation System
Constant Hot Water is Always Ready to Drink

Integrated Water System
Reduce water residue and leakage

Convenient Control Knobs
Easily Access to Your Drink with No Pressing

Removable Drip Tray
Easy to clean. Also, a reliable helper to manage overflow.

36L Large Storage Space
A place to store everything

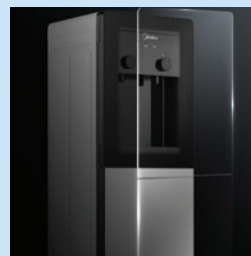

Support Bar
Increase anti-toppling stability

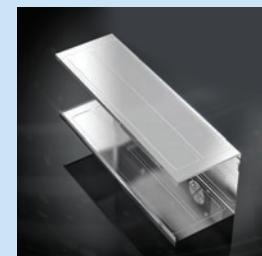

Durable Food Contact Grade Parts
• SUS304 Stainless Steel Hot Tank anti-toppling stability
• Water Diversion Tank

Removable Bottle Supporter
Scale Deposit is Cleaned Easily

Double Door with Tempered Glass
Separate the dust outside and cleanliness inside.

One-piece Stretched Sheet Metal
Seamless Look is Built to Last

- Double safety device for preventing overheat
- High power stainless steel hot water tank
- Chilled water temperature $\leq 15^{\circ}\text{C}$
- 0.6L cold tank capacity
- Power: 420W heating/75W cooling

YR-1539T

- Exclusive safety device for preventing overheat
- High quality stainless steel tank for hot water
- Heated water temperature $\geq 85^{\circ}\text{C}$

UNIQUE FEATURES

Removable Bottle Supporter
Scale Deposit is Cleaned Easily

Advanced Semi-Conductor Cooling

Compact Size

Detachable Drip Tray

The Loading Qty Can Reach 1600Pcs

**Water bottle is not included*
