-  5000Pa Powerful Suction
-  Ultrasonic Carpet Detection
-  Customize No-go Zones
-  Multi Cleaning Modes

UNIQUE FEATURES

All In One Station

Auto Emptying & Mop-washing & Mop-drying All In One

Mops self-washing System

The base rinses the dirty mops with clean water and removes debris and dirty water from the mops, ensuring a hands-free and hygienic cleaning of your entire house

Dust Self-emptying System

Full-link dust-proof and leak-proof system empties the fine particles and pet hair in the dust tank effectively, and also with 3L dustbag to hold dust up to 75 Days.

3D Obstacle Detection No need to tidy up the house first

Construct the shape of ground obstacles and avoid furniture and obstacles in a much smarter way.

Suction Power
5000Pa

MVC-I6 PLUS

- Working time 100min
- 340ml dust box capacity
- 2600mAh Battery capacity

UNIQUE FEATURES

Slim Robot Design
16 is only 76mm in height, ensuring high pass-through capability in home environments.

5000Pa Suction power
Equipped with a brushless motor for a longer lifespan; combined with a rubber and bristle roller brush, it provides excellent dust removal

Automatic Fall Prevention
Equipped with three extra sensors, and adjustable fall detection sensitivity.

VACUUM CLEANER

FLOOR WASHER

Power
200W
MVC-AT2 **NEW**

- Suction Power: 5KPa
- Operation Time: 30 min
- 75db noise
- Single edge cleaning
- LED Light

UNIQUE FEATURES

Low-Lying Stains Can No Longer Hide

The lie-flat design effortlessly lets you clean under furniture, while the exclusive water duct design prevents dirty water from backflowing, ensuring a seamless cleaning experience and spotless floors.

Lightweight to Use, Easy to Maneuver

Get powerful floor pressure and strain-free control in one. Repositioned Clean Water Tank + Golden Torque + Mini Wheels make cleaning effortless.

Anti-Tangle Pro

A comb scraper inside the roller brush minimizes hair tangling for hassle-free cleaning.

Self-Drying Technology

Keep the roller brush dry and fresh with hands-free drying. High-speed airflow and rapid spinning deliver fast, hygienic results.

Self-Developed BLDC Motor

With its advanced BLDC motor technology, the compact and lightweight AT2 delivers stable, powerful cleaning performance from start to finish, outperforming traditional floorcare systems.

Vacuum & Mop in One Step

The vacuum and mopping function can simultaneously deal with liquid and solid garbage on hard floors, leaving no chance for stubborn stains to hide.

You Can Walk Barefoot Right after Mopping

Its excellent structural design, coupled with powerful suction, leaves very little water residue on the floor after cleaning.

Extended Battery Life

With extended battery capacity, delivers up to 30 mins of powerful, uninterrupted runtime.

ALL IN ONE MICROWAVE OVEN

Microwave Power
1000W

Steam/Grill Power
1800W

MMO-25XHA

- Capacity: 25L
- Smart APP Control
- Healthy Steam Cooking
- Healthy Steam-assisted Grill
- Precise control of 5 power levels
- 130°C Ultra-high Temperature Steam
- Advanced Combination Cooking
- 52+N Auto Menus

UNIQUE FEATURES

All The Crispy Goodness of Air Fry

Whether you're frying up chicken wings, French fries, or cheese sticks, TastePro steam oven will help you achieve unbeatable crispiness.

Air Fry with True 3D Convection

TastePro steam oven features true 3D Convection tech, with which the powerful hot air will circulate in the cavity, ensuring an even & crispy cooking result!

Oil-separation Technology

TastePro steam oven could reduce fat and calories within the food by self-designed oil-separation technology.

1000W Inverter Microwave

With InverterQuattro Technology, TastePro steam oven provides precise control of microwave power output. A more even and efficient cooking results can be expected.

Low-sugar Bake

Dedicatedly designed lower sugar recipes can help you reduce the intake of carbohydrates, a perfect match for people who are keeping fit.

Step 1

High Temp. Grill melts oil & fat.

Step 2

High Temp. Steam strips and washes oil & fat away.

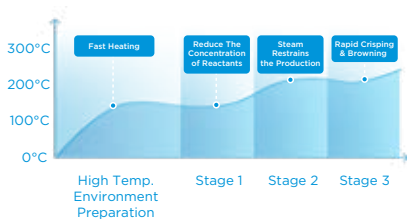

Step 3

Grill tray drains out oil & fat.

Advanced Combination Cooking

Just 3 steps, more oil and salt can be stripped out of food. Grilling can be healthy as well.

Exclusive Meat Roasting Technique

Special heating curve helps reduce the production of heterocyclic during meat roasting, delivering tasty and healthy roast meat.

52+N Auto Menus in SmartHome APP

Easily cook all those tasty master chef recipes with TastePro steam oven auto menus.

25L Capacity, Your 'Mini Kitchen'

25L is a perfect cavity size for most of the cooking, while not taking much of the kitchen space.

- Maximum Cooking Timer 30'

UNIQUE FEATURES

MET Tech.

The intelligent chip is the core of the MET control system, which adjusts the power output precisely and consistently for better cooking results, less energy consumption, more eco-friendly performance, and quieter operation.

20L compact size

The compressed volume of the components saves more space for the cavity. A 273mm dish and 9" pizza can easily fit the cavity on the 245mm turntable.

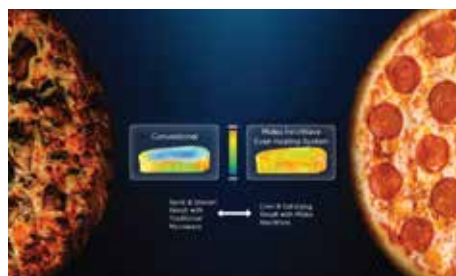

Easy pick & go

With the lightweight of 6.5 KG, it won't take big efforts to carry it. Customers can easily take it and buy it without considering the heavy weight and the arduous job of moving it back home.

57dB(A), quieter

The noise level reaches as low as 57 dB(A), which is lower than a normal conversation.

Even results

MET delivers modulated and steady power to ensure a smooth and precise temperature in the cavity. It prevents uneven heating or dried out edges.

ECO friendly

Steady power output ensures heating consistency, speeds up heating time, and saves energy.

Make Cleaning Easier

XpressClean™ coating creates a lubricating, easy-to-clean, and nonporous surface that offers stain resistance, and water & oil repellency.

Unlike conventional cavity painting, the food-grade XpressClean™ coating generates a hard shield on the surface of the microwave cavity, leaving no chance for grease and residue.

Meet Your Everyday Needs

Special auto menu cooking program made for your favorite daily dishes with one-touch start. No more guessing work needed.
