SmartHome Smart Compatible

Watch video tutorial: Smart Control with the SmartHome app

Golden Virus Hygiene Certification:

The Golden Virus Hygiene certificate itself comes from the Institute for Integrative Hygiene and Virology, InFluenc_H in Germany. The Golden "Level 3 Virus Hygiene" seal is a certification you can trust for the hygienic performance of the dishwashers.

ActiveOpen Dry

Better drying with natural air: With ActiveOpen Dry, the dishwasher door will slightly open at the end of the cycle. This allows the residual heated moisture to escape quickly from the tub, and sufficient air to flow in and circulate. Now your dishes will be a lot drier, naturally!

Ion Dishfresh

Get your dishes smell clean: The Ion Dishfresh technology utilizes the power of air ion, a substance normally found in the nature that keeps the air fresh, to inhibit over 99.8% of bacteria growth inside the dishwasher and freshen it up.

Smart Home

Any time, anywhere control: Connecting to the SmartHome APP, you can control your dishwasher easily on the smart device, like choosing a cycle and a function, whenever and wherever you are, and click to start dishwashing before all clean dishes are ready for you.

Simply ideal

Fully Built-in Dishwasher

MDWEB1503MB-EB

EAN: 4048164123001

General

Brand	Midea
Model	MDWEB1503MB-EB
EAN	4048164123001
Product	dishwasher
Installation type	integrated
Design type	Built in
Width	60cm

Design

Color	Inox
Panel color	black

Performance & technology

Energy class[A-G]	B
