24"
Top Control Dishwasher
with 3-Stage Total Drying

MDT24P3CST Stainless Steel

The Midea 24" Top Control Dishwasher delivers effortless organization, powerful cleaning, and advanced drying performance. A 3-level height-adjustable rack, fold-down tines, and dedicated utensil rack provide flexible loading for dishes, cookware, and silverware. The Bottle Wash Zone uses four dedicated jets to target hard-to-reach areas inside bottles and tumblers, while 3-Level Spray Arms ensure thorough cleaning coverage throughout the dishwasher. 3-Stage Total Drying combines Extended Dry, Auto-Open Door, and Air-Dry functions for spotless, ready-to-use dishes.
