STRAWash™ Dishwasher

with Bottle Wash Zone

MDT24P6CST Stainless Steel

Midea's 24" Top Control Dishwasher is the first dishwasher to feature STRAWash,™** which keeps reusable straws** secure in special holders while precision jets deep clean their interiors. The Bottle Wash Zone provides the same thorough cleaning for bottles and tumblers. Our TruDry Drying System combines Extended Dry, Auto-Open Door, and Air-Dry functions for spotless, ready-to-use dishes.
