17"

Portable Countertop Dishwasher

with Built-in Water Tank

MDC17P4CWW White

Midea's 17" Portable Countertop Dishwasher is the ultimate space-saving solution for apartments, dorms, and RVs, washing up to two place settings per cycle. It features a built-in water tank for flexible placement, with optional kitchen sink attachments when a water hookup is preferred. Convenient washing programs include a Baby Care mode, allowing the dishwasher to double as a dedicated bottle washer.
