

FRENCH DOOR REFRIGERATORS

Our large-capacity French Door Refrigerator is designed with modern conveniences like spill-proof glass shelves which let you more easily see everything in your fridge while keeping things tidy and double crispers with separate humidity controls. Two freezer drawers let you quickly find what you're looking for and the counter-depth design lets you achieve that sleek, built-in look. The ENERGY STAR® rating guarantees efficient, green-friendly performance.

DOOR REFRIGERATOR

FEATURES:

- **ENERGY STAR®**
Certified efficiency rating
- **Spill-proof Glass Shelves**
Shelves feature a raised outer rim that prevents spilled liquid or leaking containers from dripping down on contents below.
- **Electronic Temperature Control**
Efficient temperature control tracks small temperature changes and automatically adjusts the cooling system to keep your food at its freshest.
- **Double Crisper & Full-width Pantry Drawer**
Individually-controlled, sealed crisper drawers feature adjustable humidity to keep produce fresh longer while a full-width drawer lets you neatly store larger items.
- **Dual Freezer Drawers**
Keep frequently accessed items in the top drawer for quick retrieval and larger, long-term stored items in the deeper bottom drawer.
- **LED Interior Light**
An LED interior light provides maximum visibility while consuming less energy.
